Strategic Objectives	Cluster Objectives	HRP PA code	Parent Activity	Sub-Code	Sub-Activities	Context 1	Context 2	Context 3	Context 4	Indicators	Unit of measure	Activity Description	Reference Cost	Unit
SO1	CO1	SN101	Emergency Shelter Support	A	Emergency Construction Materials (ECM) and Emergency Shelter Kit (ESK)	In-kind (IK)	In-kind (IK)	In-kind (IK)	In-kind (IK)	# households supported with emergency shelter kits # households supported with emergency construction materials # people supported with emergency shelter kits # people supported with emergency construction materials # residential units supported with emergency shelter assistance	HHs/ people (SADDD)/Residential Unit	The provision of emergency shelter support includes emergency construction materials (ECM) and emergency shelter kits (ESK). They are provided immediately to minimize the impact of war-related damage to detached houses and multi-apartment buildings (apartments and common spaces) by sealing the building envelope. The primary objective of the activity is to provide immediate protection during emergencies by temporarily shielding occupants from potentially hazardous weather elements (such as rain, snow, wind, and moisture exposure) and preventing further deterioration of dwellings.	USD 120 per Household	Household
SO1	CO1	SN101	Emergency Shelter Support	B	Emergency Construction Materials (ECM) for Social Facilities	In-kind (IK)	In-kind (IK)	In-kind (IK)	In-kind (IK)	# buildings supported with emergency construction materials # people supported with emergency construction materials	Buildings/ people (SADDD)	Provision of emergency construction materials (e.g., tarpaulins, OSB panels, plastic sheeting, nails, etc.) to public social infrastructure facilities (such as schools, primary healthcare points, administrative service centers, community centers, etc.) to enable rapid, temporary repairs in the immediate aftermath of war-related damage. Activities should support government-led institutions and aim to facilitate continued access to public services (including for IDPs and returnees), reduce reliance on humanitarian assistance, and promote social cohesion. This activity may include support to both operational and temporarily non-operational facilities that are expected to be reinstated for the provision of essential services. Examples of supported infrastructure include Resilience Centers, TsNAPs, multifunctional youth hubs, and Centers for the Provision of Social Services.	USD 59 per Individual	Individual
SO1	CO1	SN102	Emergency Non-Food Item (NFI) Support	A	Donation of NFIs for Shared Use	In-kind (IK)	In-kind (IK)	In-kind (IK)	0	# institutions reached through the donation of NFIs (Collective Sites, Transit Centers, Invincibility Points, Bomb shelters) # people reached through donation of NFIs (Collective Sites, Transit Centers, Invincibility Points, Bomb shelters)	Institutions/ people	The purpose of the activity is to distribute non-food items (NFIs) to residents of temporary sites, such as Collective Sites, Transit (Reception) Centers, Interim Evacuation Points, Invincibility Points, and Bomb Shelters, to support individual living conditions and cover immediate household needs. This activity aims to ensure that displaced persons residing in temporary facilities can access essential items necessary for dignity, safety, and basic daily functioning. Distributed NFIs are for individual use and not considered property of the facility.	USD 180 per Individual	Individual
SO1	CO1	SN102	Emergency Non-Food Item (NFI) support	B	NFIs for Households	In-kind (IK)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Voucher (V)	In-kind (IK)	# households supported with household NFI # people supported with household NFI	HHs/ people (SADDD)	Distribution of Shelter Cluster NFI kits (essential items that displaced, non-displaced and returnee families may have lost because of the war or not taken with them in displacement). The complete kit includes: Reinforced Bags, Bed linen sets, Blankets, Towel sets, Kitchen sets, Jerry cans (optional), Buckets.	USD 315 per Household	Household
SO1	CO1	SN102 (Non-HNRP)	Emergency Non-Food Item (NFI) support	C	Provision of Appliances and Furniture	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	0	# households supported with appliances and furniture # people supported with appliances and furniture	HHs/ people (SADDD)	Providing households with household appliances that allow them to fully manage their households, cook and store food (fridge, cooking stove), as well as providing the necessary furniture for rest, social interaction, and storage (bed, table set, wardrobe).	Fridge - USD 240 Cooking stove - USD 240 Bed - USD 200 Table set - USD 220 Wardrobe - USD 240	Household
SO1	CO2	SN201	Winter Heating	A	Winter Cash for Utilities	Cash (C) Voucher (V)	Cash (C) Voucher (V)	Cash (C) Voucher (V)	0	# households supported with cash for utilities # people supported with cash for utilities	HHs/ people (SADDD)	Provision of grants to help vulnerable families pay utility costs specifically to cover heating needs (centralized heating, natural gas, or electricity for heating) in the winter.	Unified cash for heating utilities transfer value is UAH 19,400* for the winter season	Household
SO1	CO2	SN201	Winter Heating	B	Winter Energy	In-kind (IK)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK)	# households supported with winter energy # people supported with winter energy	HHs/ people (SADDD)	Distribution of firewood, coal, briquettes, pellets, and liquefied gas (LPG) for heating appliances. The recommended quantities per fuel type can be found in the Shelter Cluster Winterization Recommendations.	Average reference cost*: USD 660 per Household per season, depending on fuel type as per Winterization Recommendations. Unified cash for solid fuel transfer value is UAH 19,400 for the winter season	Household
SO1	CO2	SN201	Winter Heating	C	Winter Heating Appliances	In-kind (IK)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK)	# households supported with winter heating appliances # people supported with winter heating appliances	HHs/ people (SADDD)	Distribution of room-heating kits to households, including heating appliances (solid fuel, electric, or gas heaters) complete with all necessary installation accessories.	Average reference cost: USD 580 per Household	Household
SO1	CO2	SN202	Personal Insulation	A	NFI for Winter	In-kind (IK) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Voucher (V)	0	# households supported with NFI for winter # people supported with NFI for winter	HHs/ people (SADDD)	Providing non-food items to prepare for winter. This category includes mattresses, sleeping bags, high thermal blankets, rescue foil blankets, thermos flasks, power banks, battery-powered flashlights, portable stoves and dry fuel (or candles). One unit of each item per person.	USD 156 per Individual	Individual

SO1	CO2	SN202	Personal Insulation	B	Winter Clothing	In-kind (IK) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK)	# households supported with winter clothes # people supported with winter clothes	HHs/ people (SADD)	Distribution of warm clothes and thermal underwear. The list of recommended items includes winter jackets and boots, thick socks, winter hats and scarves, and thermal underwear.	USD 170* per Individual	Individual
SO1	CO2	SN203	Shelter Insulation	A	Insulation of Substandard Houses	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	0	# households supported through insulation of substandard houses # people supported through insulation of substandard houses # residential units upgraded	HHs/ people (SADD)/ Residential Unit	Interventions aimed at improving the thermal envelope efficiency of private houses (ceiling insulation, energy-efficient windows and entrance doors) and fixing internal heating systems. This activity refers to houses in substandard conditions, but not war-damaged. In case of interventions that provide both (a) the repair of war-related damage and (b) the improvement of the thermal insulation, report under Category I Repairs or Category II (Heavy) Repairs.	Average reference cost: USD 3,320* per Household	Household
SO2	CO3	SN301	Humanitarian Repair	A	Humanitarian Repairs of Common Spaces in Multi-Apartment Buildings	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	0	# households supported through repairs of common spaces # people supported through repairs of common spaces # multi-apartment buildings repaired # residential units repaired	Buildings/ HHs/ people (SADD)/ Residential Unit	Repair of the common spaces of multi-apartment buildings with war-related damage to make damaged apartments eligible for a government compensation program. Includes work on roofs, entrance doors, windows, stairwells, etc. Heavy repairs to structurally damaged multi-apartment buildings (including apartments) are considered to be beyond the scope of the humanitarian response.	USD 3,465 / HH for 2-3 floor buildings. USD 1000 / HH for 4-5 floor buildings. USD 620 / HH for buildings with 6 floors or more. Up to 16 floors (included). The weighted average: USD 1,540	Household
SO2	CO3	SN301	Humanitarian Repair	B	Category I Repairs	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	0	# households supported with light repairs # households supported with medium repairs # people supported with light repairs # people supported with medium repairs # buildings repaired # residential units repaired	Buildings/ HHs/ people (SADD), Residential Unit	Repair of minor war-related damage to load-bearing and enclosure structures that did not compromise mechanical resistance and stability under ultimate limit state conditions. Repairs are to be carried out in houses and apartments in accordance with the Shelter Cluster Recommendations on Light and Medium Repairs. All interventions are expected to address the essential needs of the dwelling, as defined in the above-mentioned guidance. Partial interventions that fail to cover these essential needs are not acceptable.	Average reference cost (USD/HH)**: Detached houses: Light - 2,120; Medium - 4,925 Apartments: Light - 1,360; Medium - 2,325	Household
SO2	CO3	SN301	Humanitarian Repair	C	Category II (Heavy) Repairs	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	0	# households supported with heavy repairs # people supported with heavy repairs # buildings repaired # residential units repaired	Buildings/ HHs/ people (SADD)/ Residential Unit	This activity aims to carry out repairs necessary to restore private houses affected by war-related structural damage to a habitable condition. Structural damage refers to any damage to load-bearing elements and structural components that directly affects the safe use and functionality of the building.	Average reference cost: USD 12,000 per HH	Household
SO2	CO3	SN301	Humanitarian Repair	D	IDP House Repairs	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	0	# households supported with medium repairs # people supported with medium repairs # buildings repaired # residential units repaired	Buildings/ HHs/ people (SADD)/ Residential Unit	This activity aims to bring currently uninhabitable houses or apartments into compliance with minimum humanitarian standards, enabling internally displaced persons (IDPs) to live in safe and dignified conditions. The activity primarily targets non-war-damaged dwellings. Eligibility: IDPs who have purchased or are renting housing on a long-term basis.	Average reference cost: Detached houses: USD 4,925 per Household Apartments: USD 2,325 per Household	Household
SO2	CO3	SN301	Humanitarian Repair	E	Humanitarian Repairs of Social Facilities	In-kind (IK) Voucher (V)	In-kind (IK) Voucher (V)	In-kind (IK) Voucher (V)	0	# buildings assisted with humanitarian repairs # people supported through the repair of social facilities	Buildings/ people (SADD)	Implementation of humanitarian repairs to war-affected social infrastructure facilities (providing basic social services, educational institutions, healthcare facilities, etc.). The main objective of this activity is to reduce reliance on humanitarian assistance, promote the inclusion of internally displaced persons (IDPs) and returnees in the provision of state services, and strengthen social cohesion within communities. This activity does not include the repair of structural (load-bearing) damage. Examples of supported social infrastructure include community-based resilience centers, community centers/multifunctional hubs, Administrative Service Centers (TsNAPs), youth centers, and other institutions delivering social services, such as territorial centers for social service provision.	USD 450 per Individual	Individual
SO2	CO3	SN302	Refurbishment of Collective Sites	A	Refurbishment of Collective Sites	In-kind (IK)	In-kind (IK)	In-kind (IK)	0	# people benefited from Refurbishment of Collective Sites # people benefited from Refurbishment of Collective Sites (Care and Maintenance)	people (SADD), buildings	Implementation of works requiring enhanced technical supervision, aimed at ensuring that IDPs can reside in collective sites in dignified, safe, and protected conditions. This activity focuses on refurbishment and accessibility improvements to bring existing collective sites (or their functional units) up to the minimum technical standards required by national legislation and humanitarian guidance. Structural repairs are not permitted under this activity.	USD 330 per Sleeping space for care and maintenance USD 760 per Sleeping space for standard	Sleeping space
SO2	CO3	SN303	Rental Support	A	Rental Support	Cash (C) Voucher (V)	Cash (C) Voucher (V)	Cash (C) Voucher (V)	0	# households received Rental Support # people benefited from Rental Support	HHs/ people (SADD)	Provision of grants to help vulnerable displaced families pay for the rent of their dwelling, move from collective sites, or find better accommodation. Reference for this activity: Rental Assistance Recommendations and Guidelines for Ukraine.	Average reference cost: USD 2,300 per HH/6 months	Household

*Reference costs could be reviewed for the winter season of 2026-2027.

**Depending on the number of beneficiaries living in the corresponding living space.
