HNO/HRP

Vetting Criteria

Step 1: Review the new project's overall relevance to the 2022 strategic objectives and sector objectives

Step 2: If the project passes the 1st level review, the vetting panel must look into the programming quality of the project design, along the below areas:

Accountability systems; Info on gender; Community engagement; Budget Vs Timeframe; value for money; sustainability/level of evidence informing the project.

Global Shelter Cluster
ShelterCluster.org
Coordinating Humanitarian Shelter
